W

the
WILDSTEAD
company

At Wildstead, we think nibbled leaves are badges of honor.
We celebrate the unique beauty of all four seasons in the garden.
We regard the cycle of decay as sacred as the cycle of growth.

**We provide design, installation, and maintenance services for your whole property.
Native plants and edible gardens are our specialties.
Our designs and services reflect our dedication to Earthcare for All.**

At Wildstead Supply Co., our retail location, every purchase you make is a
pledge to the well-being of our Earth. We promise:

No invasive species. No toxic chemicals. No single-use plastics. Ever.

By choosing to work and shop with us, you're helping sculpt a healthier world -
and we are deeply grateful.

We appreciate your commitment to caring for our planet.

Thank you. - *L.Be & the Wildstead Team*
